## Senior PHP/Drupal Developer - VIKTOR LIKIN(alias)

Hello! My name is Viktor. I am looking for new challenging opportunities. I looking for new position related with development. I am easygoing and open-minded person. I am ready for new hard tasks.

 I am not a good interview writer. You also can help me as the cute IT specialist. Create issues, comments, patches, reroll patches in my resume project on GitHub `https://github.com/vlikin/resume`.
